

## **GODS OF THE GATES CAST CHAT: POST-CHARITY AUCTION**

**Carah:** I CAN'T BELIEVE YOU OUTBID ME FOR THAT SILENT AUCTION NAPA TRIP, ASSHOLE

**Carah:** talking to Peter, by the way

**Carah:** the rest of you are assholes too, but he's the SPECIFIC asshole in this situation

**Carah:** I was going to film my next food-reaction video there

**Carah:** I'm sure people do weird shit with grapes, but now I'LL NEVER KNOW, YOU DICK

**Peter:** You snoozed, you lost.

**Carah:** I did NOT fucking snooze!!! I had to fucking pee!!!

**Peter:** Then let me rephrase: You peed, you lost.

**Peter:** I meant it as a surprise early birthday present for Maria. Thanks a \*lot\*, Carah.

**Carah:** You're welcome

**Peter:** Maria, want to do a Napa trip for your big day?

**Maria:** Are there spa treatments involved?

**Peter:** Uh...no?

**Maria:** \*Can\* there be spa treatments involved?

**Maria:** Because I want to be scrubbed and peeled and massaged thoroughly by a man named Sven who reminds me of my homeland.

**Peter:** Chilly and asocial?

**Maria:** Haha, Peter.

**Carah:** Told you. TOTAL ASSHOLE.

**Carah:** Anyway, I think we've lost sight of the most important issue here

**Carah:** I.e., Peter's rampant assholery toward me and how it should be punished

**Maria:** Carah, consider yourself invited to Napa. You can film yourself eating bizarre grape-based foods or get yourself pummeled alongside me. Your choice.

**Peter:** ...

**Carah:** I'M A MODERN WOMAN, I DON'T HAVE TO CHOOSE, I CAN HAVE IT ALL

**Carah:** You're the best, Maria, thank you

**Mackenzie:** I found the best kitty massage place recently, didn't I, Whiskers, didn't I?

**Mackenzie:** Oh, Whiskers, I agree. I should get a massage too, shouldn't I?

**Peter:** ...

**Maria:** The more the merrier, but Mac, you have to wear something not covered in cat hair for once. Especially if Alex comes, because you're killing that poor man.

**Peter:** Alex is coming too?

**Maria:** Maybe. I'll e-mail him and see if he and Lauren can make it.

**Asha:** Oh, I'm so sorry I'm in Mykonos! Otherwise, I'd be there! Happy birthday, Maria!

**Summer:** May I come? Pleeeeeease? I need pummeling too! I am pummel-deficient!

**Maria:** Thanks for the birthday wishes, Asha! Of course, Summer. I'd love to see you! And tack tack for the birthday present, Peter. It's really sweet of you.

**Peter:** ...

**Peter:** Yes. Sweet.

**Peter:** You're welcome, Maria. :-)
